This 1944 "Victory" edition of the TALISMAN incorporates a "United Nations" theme. Only through cooperation and understanding with our Allies today — and tomorrow all mankind, can this war be brought to a conclusive end.

Throughout the pages of this book are distributed unusually fine drawings depicting typical scenes in these friendly nations.

To express our gratitude and admiration, the staff of the 1944 Talisman dedicates this book to our friend, and Dean of Boys, Mr. T. C. Colgan.

Mr. Colgan has been associated with our school since its opening, and has consistently worked to maintain and improve its standards. He is sincere. He understands the students, and has the respect of all.

In recognition and appreciation of your efforts we thus honor you.

JUNIOR PROM

The Junior Prom, highlighting the year's social events, was held May 13th, at the Inglaterra. The music was furnished by Freddie Stevens and his orchestra. The "Ing" was crowded with happy and carefree students and friends all intent on having a good time. It was a lovely sight to behold all the girls in their pretty formals and the boys in their smart two-tone suits.

Leo Lukehart, the king, and his queen Marjorie Lois Wilson led the grand march. After the grand march there was a floor show presented by several of our talented students. The dancing continued until twelve o'clock.

BLOCKING AND TACKLING

Defeating Central and Canton, after losing to Burlington, Pekin, and Galesburg by close margins, our Warriors proved, throughout the season, that they had more fight and enthusiasm than most teams. Even though our team had a poor season, we all know in our hearts that they fought to the last, in every game.

FRESHMAN-SOPHOMORE FOOTBALL

Our Papooses, coached by Mr. Boucher, completed their season with just one defeat, that at the hands of East Peoria. Woodruff should be very proud of the showing made by our Papooses during the 1943 season.

FOULS AND FREETHROWS

Woodruff fans saw many close games during the year as our "hoop men" completed their successful season. Coach Correll had three juniors and two seniors on the starting five, so we can expect much next year. The Warriors added another trophy to our collection by placing second in the regional tournament.

SPIKES AND CINDERS

For the second year in a row, our speedsters have carried the Woodruff colors to the Greater Peoria Championship. The team was nosed out of first place in just two meets, these were in the Illini conference and the District meet, by Canton. As students, we should tip our hats to Mr. Boucher and his boys.

New Horizons

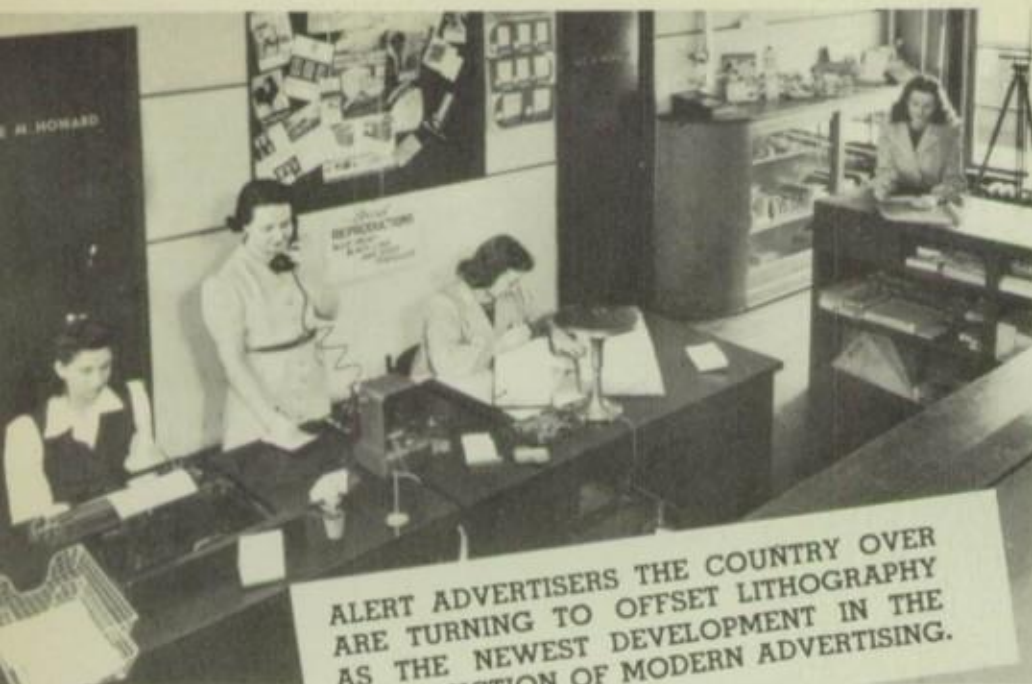

Stores of America form the nation's largest industry. During days of War, as during Peace, they are the Homefront Service of Supply. What is more, they are streamlined for opportunities unlimited. Block & Kuhl Co. offers opportunities in dozen-fold measure. Each unit in the growing Retail Group has openings, advancements for each co-worker. No field anywhere offers such wide specialization for varied talents. . . Selling, Buying, Office, Publicity, Maintenance, Credits, Traffic, Display, Personnel, Interior Decorating, Advertising, Administrative, Restaurant Services, Merchandising, Secretarial, to name but a few. OFFSET LITHOGRAPHY

ALERT ADVERTISERS THE COUNTRY OVER ARE TURNING TO OFFSET LITHOGRAPHY AS THE NEWEST DEVELOPMENT IN THE REPRODUCTION OF MODERN ADVERTISING.

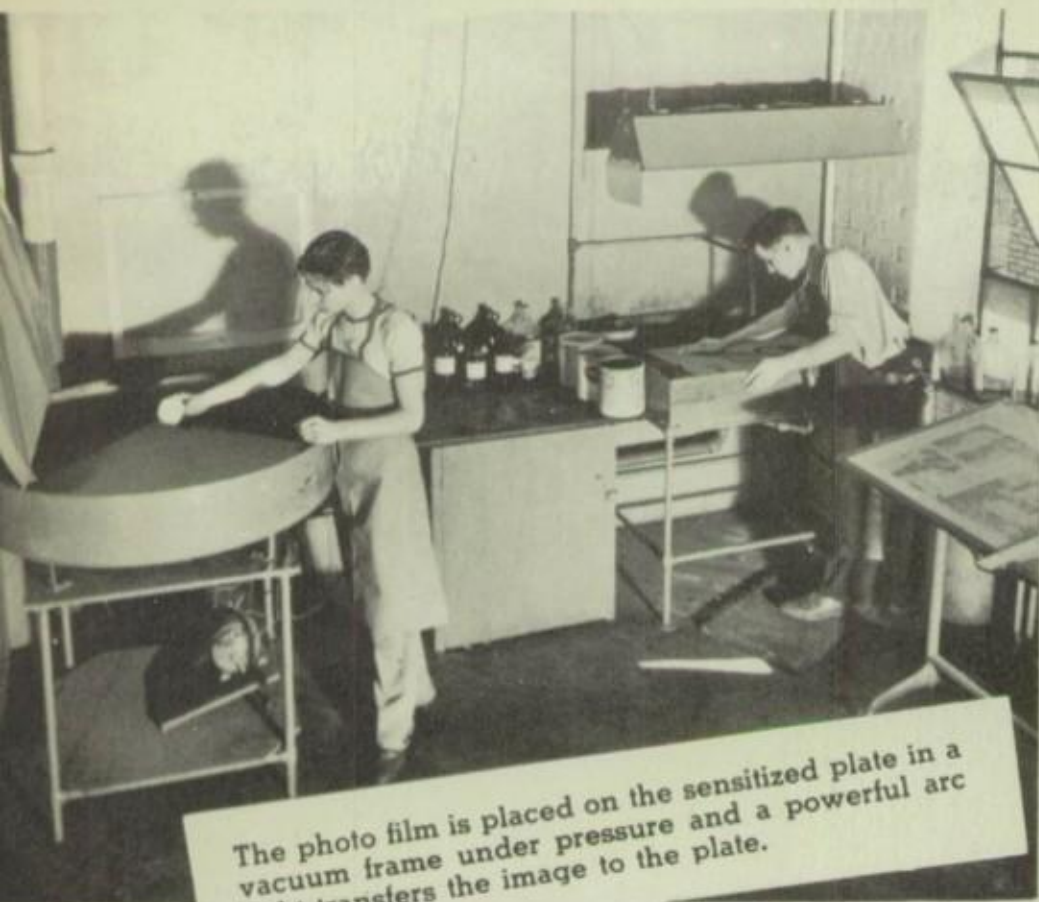

Creative artists prepare your preliminary sketches, suggest effective layouts, and do finished art work.

Especially built precision camera which records your copy on photo-film.

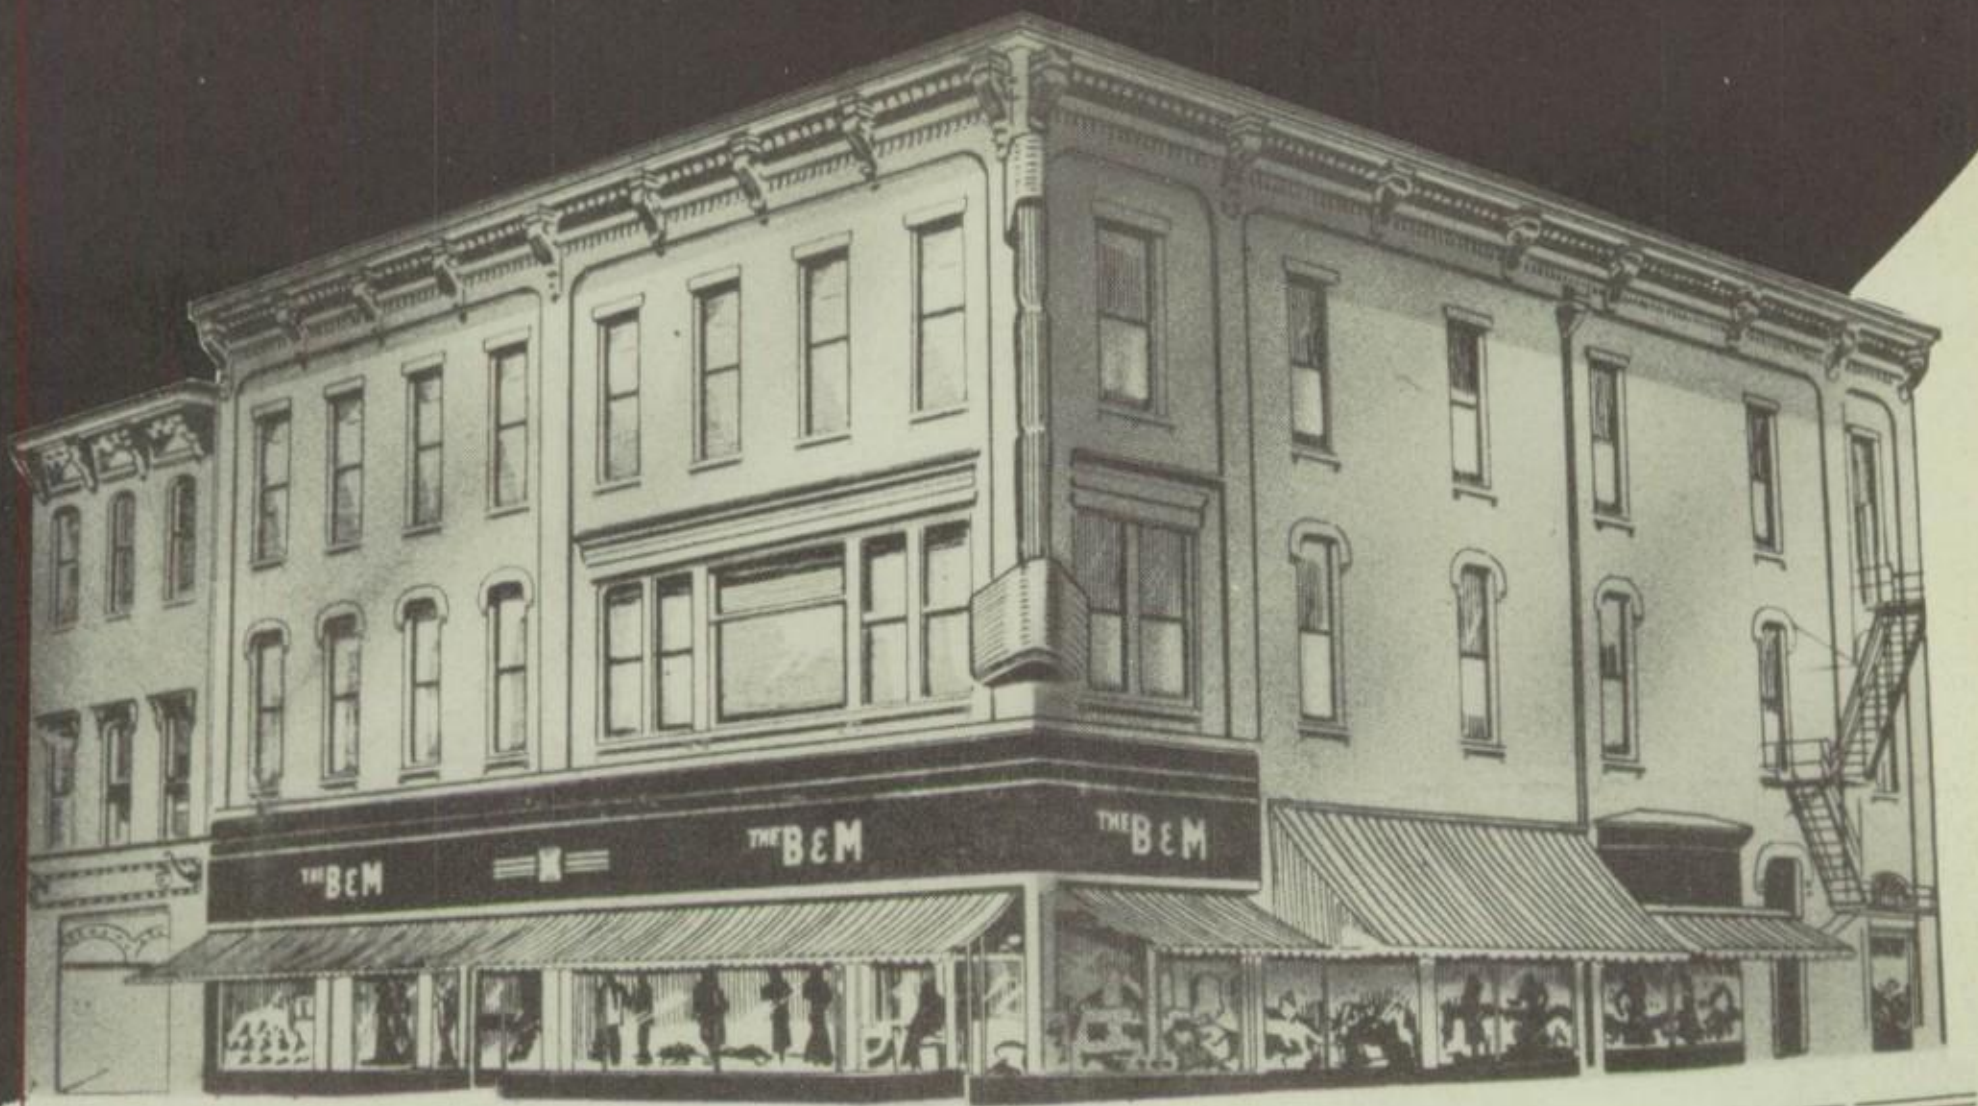

The film is carefully retouched and halftones or reduced illustrations stripped into position. The copy is now ready to be transferred to the plate.

The photo film is placed on the sensitized plate in a vacuum frame under pressure and a powerful arc light transfers the image to the plate.

Fast automatic presses print by the offset method at the rate of from 4,000 to 8,000 impressions per hour in any color on practically any stock.

SOUTH ADAMS AT FULTON STREET

MAIN STREET

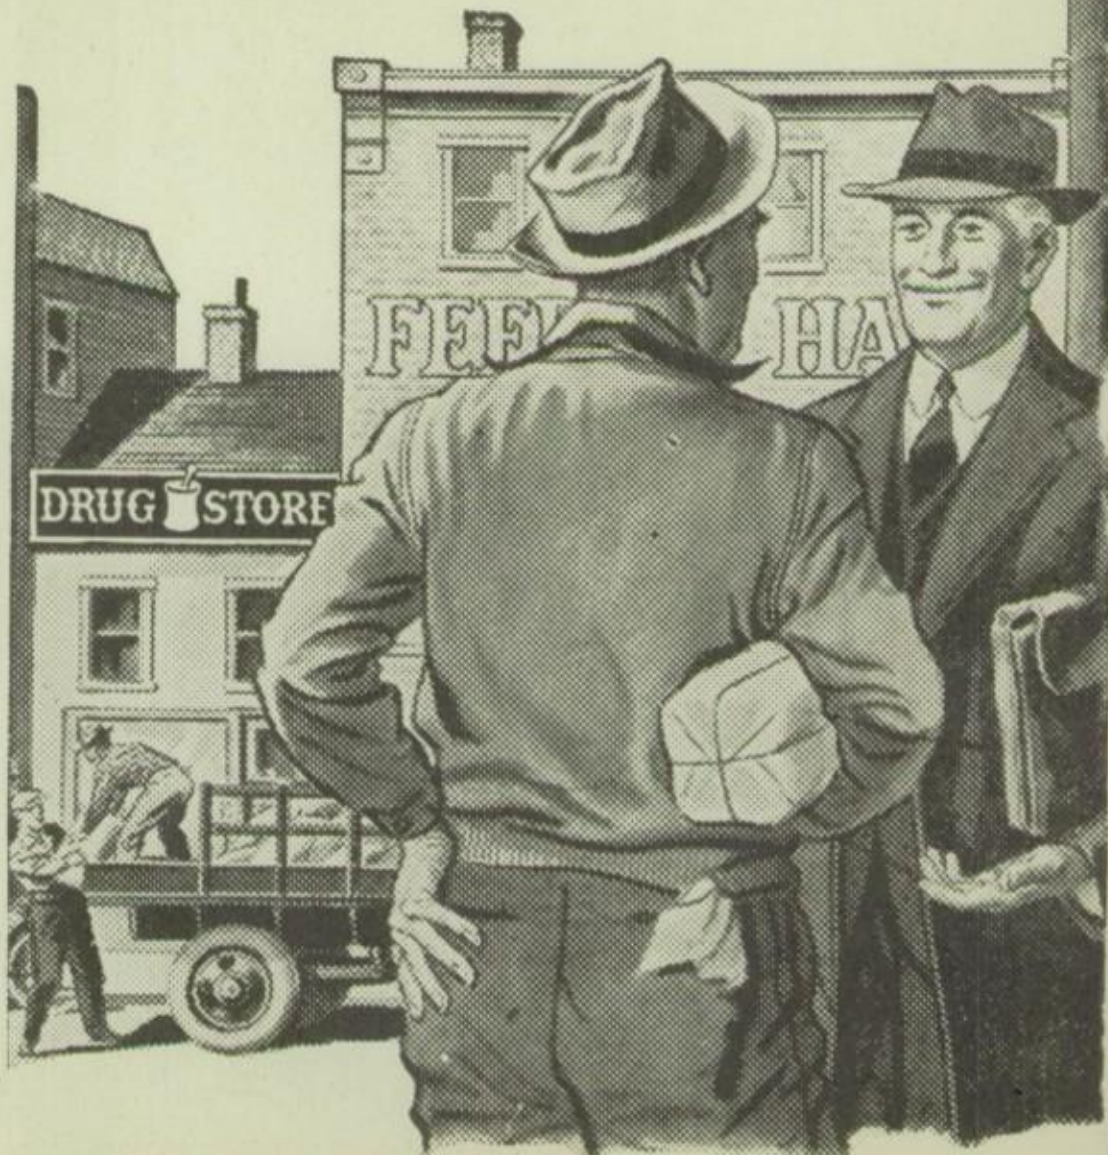

is an AMERICAN TRADITION

It's one of those things that make America what it is today, . . . like High School, College, Football, Coke Dates and Jitter-bugs. And what made Main Street? Whether in a small town or a large city, it is the combined efforts of the citizens of the community, each making his own pathway to a comfortable living for himself and family, unhampered by too many regulations and restrictions. Main Street was built by . . .

FREEDOM OF INDIVIDUAL ENTERPRISE

Your gas and electric utility companies grew that way . . . from small beginnings to large industries, supplying a service that is vital to our American way of life. Cheap, dependable service, provided by experienced business management.

Secretary of Admissions,
Bradley College, Peoria, Illinois

President—Dr. Frederic R. Hamilton
Registrar—Mr. Asa Carter

BRADLEY is a non-sectarian, coeducational college with a program which unites a liberal education, preparation for a major interest, and experience in practical life under guidance and counsel. The carefully selected student body of **800** comes from forty-three states and three foreign countries.

Bradley is on the approved list of the Association of American Universities and the American Association of University Women. It is accredited by the North Central Association of Colleges and Secondary Schools; by the University of Illinois with Class A standing, and by the Illinois State Department of Public Instruction.

Bradley has unusually large curricular offerings for a small college. Besides regular liberal arts courses, there are departments in business administration, home economics, engineering, industrial education, music, art, pre-medical, and nursing. It has a national reputation.

ATHLETICS

Bradley supports and is interested in inter-collegiate and intramural athletics. In addition to a schedule of football, basketball, baseball, track, and tennis, which is arranged with leading middle western colleges and universities, the division of intra-mural athletics provides a well organized program which gives meaning to the aim, "Sports for All." Such teams participate in all of the games mentioned above and in golf, archery, wrestling, hand ball, volley ball, swimming, tumbling and boxing.

EXPENSES

Bradley is not an expensive college for the student. It is endowed and is constantly increasing its resources in order that students will be required to pay as small a fraction of the cost of an education as possible. The tuition is very reasonable. This is especially noticeable when comparison is made with other standard college courses which do not offer as extensive technical, scientific, and laboratory courses.
